PROPOSED TEMPORARY CLOSURE OF WATERY LANE, IWERNE MINSTER

I have received an application from Wessex Water Services to close Watery Lane, Iwerne Minster between 1 The Terrace and 2 High Glebe, a distance of approximately 60 metres. The closure has been requested to allow Wessex Water Services to carry out essential sewer re-lining works. These works are programmed to commence from 9th November 2026 until 13th November 2026.

Wessex Water Services will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 23rd October 2026.

View all roadworks in your area - dorsetcouncil.gov.uk/roadworks-events or read the council's [guide to roadworks](#) for general information and advice.
